

Sunday Education Programs

for Children, Teens, and Adults

Choices for Sunday Mornings

Individuals ages 5 through adulthood have two opportunities to participate throughout the year.

Keshet is once again proud to offer its state-of-the-art Sunday morning program for children through Bar/Bat Mitzvah age at the Ida Crown Jewish Academy, Beth El, and at Yeshivas Tiferes Tzvi. Teens and adults may now choose either the traditional Sunday morning program or the new **SOAR** (Social Opportunities and Adult Recreation) program that focuses on social action and recreation.
